PRESIDENT'S REPORT

Hi Members

We can all justify feeling a little bit high after such a great show at the Buderim Hall on 20 March. It was possibly the most successful show we've ever had and was certainly our best one day show. I'd like to take this opportunity to convey a big thank you and congratulations for the effort everyone put in to make the show such a success.

There was an excellent public turnout on what was a bit of a drizzly day. Everyone was so polite and complimentary about the orchids in bloom, and all understood the need to follow Queensland Government COVID19 regulations pertaining to contact tracing and social distancing.

One thing that stood out for me on the day was just how much we all get along and get the job done with a level of enthusiasm

that is hard to beat. So many of our newer members were there to help on the day and everyone did a wonderful job displaying their plants. My, there were some real beauties there. I knew you could do it. My faith in you all was certainly justified.

I hope you were able to find a few new treasures on the plant sales benches, I certainly found one. This is a special edition show newsletter highlighting a great day.

We can now start thinking about and planning our next Show which will be held at Bli Bli Uniting Church Hall on Lefoes Road on Saturday 8 May. See you all at the next meeting on Tuesday 6 April and have a happy and safe Easter everyone.

DUNCAN McMARTIN
MOS President
