## ASSISTANT SECRETARY'S REPORT

Our Society's Mother's Day Show was a wonderful event. As usual, the display of orchids was beautiful – wow we have some great growers! There were also many plants for sale.

In the process of implementing the QLD government COVID-19 tracing and headcount limits, the Committee undertook extra planning to ensure we had a good pedestrian flow into and around the Lefoes Road Uniting Church Hall. The reception team were armed with the 'Check in QLD' app and it was a real peace of mind that they were able to check in visitors on their behalf. Christine and Jack were also able to walk through downloading and filling in the app with numerous show attendees, an extremely helpful task. Tracey and Peter also did a very warm & welcoming job on the admissions and raffles table.

The outdoor café looked really lovely and it was wonderful to see it get put to good use. Del and Fay did a marvellous job delivering scrumptious sandwiches, homemade sweet treats, and beverages to the crowds. Thanks Del for your flair with the

flowers and table set up as well as all your providore work.

We used as much of the lovely outdoor space as we could, including Darryl's orchid potting demonstration out under the shade of the Weeping Tea Tree.

Thank you to everyone who helped with the big job that is set up and pack down, including bringing down signs (Joe has a gift for this) and the usual sweeping up of bark and perlite. Thanks also to those who managed the plant sales – Lyn, Mike, Joe, Ian, and Rod – a very important task.

I haven't mentioned everyone, but I was very appreciative of how everyone was so willing to help out with all the small tasks throughout the day. This was just wonderful and helped make the day stress free and enjoyable. Let's bring our happy vibe (and all the lessons learnt) to planning our 50th Anniversary Show in August.

Congratulations to all on executing a great show.
