CULTURAL MEETINGS

Meetings are held at 7.30 pm on the first Tuesday of the month at the Buderim Men's Shed 34 Advance Road Kuluin

Plants are to be tabled by 7.00 pm for judging

THE NEXT CULTURAL MEETING IS ON TUE 1 FEBRUARY 2022

PRESIDENT'S REPORT

Hi all, the end is nigh. Of the year that is, not the world (I hope). Our second year of Covid is nearing an end and hopefully next year will be much more open.

In the hope that they can come, Dark Star Orchids and Orchid Species Plus have booked their spots at the International Orchid Fair at Belmond on 25-26 February next year.

I also hope that there will be no more shutdowns of our shows. Despite our big show being shut down this year, we still came through the year very well. I thank you all for making this happen.

As usual, watch out for bugs. There are lots of tiny ones after new shoots, buds and flowers. There are still a few large grey grasshoppers around, and also, small pointy headed green ones are about in fairly large numbers. I haven't got weed matting in the large bush house and when I went to pull a juicy leafed weed out, I saw three pointy headed grasshoppers munching on it. It will stay there now to attract them for easy catching! There are also very small green chunky grasshoppers about.

In ending this, I wish you and yours a Merry Christmas and Happy and good growing New Year. May all your flowers be magnificent. Happy orchid growing.

DUNCAN McMARTIN
MOS President

SECRETARY'S REPORT

December was a busy month for our Society. We had our 50th Anniversary Christmas Lunch at Maroochy Surf Club, followed closely by the last cultural meeting for the year. Thank you to everyone who had a hand in organising the anniversary lunch, in particular Fay. 50 years is something to be very proud of. We're still interested in capturing any historical photos and stories and sharing those. Please let the Editor and Committee know if you have stories to share. The December cultural meeting was very relaxed and we had a chance to mingle and share some Christmas fare while admiring each other's December blooms.

As it heats up many of us are looking forward to a break from meetings and shows to focus on our orchids, which are growing great guns in this heat and humidity. I'm keeping an eye on new growths. I hope to stake them early and regularly as they have a mind of their own and like to reach at angles – against my will! They also like to outgrow my green wire ties and I don't want to ringneck them.

Our next meeting will be on Tuesday 1 February from 7.00 pm at the Buderim Men's Shed. We had a great show of hands for a growing competition and we'll get started with this in February. We'll also start planning for our first 2022 show which will be held on Saturday 19 March at the Buderim Uniting Church Hall.

DESIREE WATSON
MOS Secretary

EDITOR'S NOTE

WE NEED YOUR HELP FOR THE JANUARY 2022 EDITION OF THE OBSERVER

We don't have a January meeting, but we do have a January edition of The Observer so please send through all those photos of your summer orchids. The Stanhopeas, Laelia anceps hybrids, many Catts, and other orchids that flower on new growths always miss the meetings because they flower 'at the wrong time'.

Please send a photo or two together with the name of the orchid and a description under 100 words for each of your January flowers. **Send your January 2022 flowers by email to tarundea@bigpond.com.au** Email works best as it doesn't compress and degrade the quality of the photo.

Anything else orchid related that happens for you over the summer is also welcome, such as a repotting extravaganza, a shade house refurbishment, an orchid (or orchids) that is having a particularly standout growth cycle, a special orchid Christmas present.

Some of you haven't been able to attend our cultural meetings for a range of reasons including your health and the pandemic. We miss you and wish you the best of health and happiness. Keep in touch.

LIBRARY

An orchid book library is available for all members to use. Please ensure borrowed books are signed out by our Librarian Joe Merceria.

NEWSLETTER CONTRIBUTIONS

If you have an interesting article to share in the newsletter please contact the Editor. See front cover for contact details.

Phalaenopsis Lioulin Red Lip

Peperomia caperata

Grammatophyllum scriptum 'Leopard' pops in to visit the neighbouring foliage bench for a catch up

OUR 50th ANNIVERSARY CHRISTMAS LUNCH

MOS President Duncan McMartin takes to the podium

As each year draws to a close, we get together for a Christmas lunch. This year we had a special Christmas lunch to celebrate the Maroochy Orchid Society's 50th Anniversary.

The lunch was at Maroochy Surf Club. The view from the Surf Club was fabulous – we're so lucky to have such beautiful beaches close to home.

Guest speakers included Past Presidents Mr Peter Henssler OAM, Ms Marlene Deller, Mr Glenn Du Reitz, Mr Eric Ernst, Ms Kathy Howatson, and current President Mr Duncan McMartin.

Our sincere best wishes to Ron Haylock who was unwell on the day. Ron's been a member of our Society longer than any other of the Presidents in attendance at our 50th anniversary Christmas lunch.

It was nice to hear a bit of history of the society. Eric's photos and stories were especially good. We hope to turn some of these into articles for The Observer.

Peter recounted the story of how our Society was incorporated. At first the Committee was perplexed as to what it all meant, then they got friendly advice from solicitor Steve Houlihan to 'just sign it!' Peter also fondly tells the story of his Cymbidium competitor Bill Alcorn, a WWII veteran (RIP).

Glenn had a good tale about a certain dinner, but we'll keep the details under the Chatham House Rules!

Marlene was President when Kathy decided to start growing orchids. Del has also been a member since then. Kathy recalls Marlene was a very welcoming and inclusive President and made everyone feel part of the family.

All the speakers were unanimous in talking about the camaraderie they experienced as a member of our Society.

We brought in a few mementos for members to ponder. There was a vase for our 25th Anniversary, and it was suggested we get a memento for the 50th, perhaps a mug? Kathy has served as both Secretary and President over the years. Some of the mementos brought back very fond memories for her.

Special thanks to Fay for organising the lunch and our 50th anniversary cake. It was decided that Peter cut the cake as he's one of the longest serving MOS Presidents.

Thanks again everyone who was able to make time to celebrate with us. It was a wonderful afternoon. We hope you enjoy these photos of our 50th anniversary Christmas lunch. We look forward to seeing you all in 2022!

President Duncan McMartin (2013 onwards)

Past President Peter Henssler (1980-1982)

Plenty of time for us all to mingle and chat

Thanks Fay for organising our 50th anniversary cake as well as the lunch

Past President Glenn DuReitz (1998-2000)

Past President Marlene Deller (2002-2004)

Past President Kathy Howatson (2006-2012)

Past President Eric Ernst (2005)

2021 Open Champion Loraine told Sharyn all her growing secrets

Eric and Peter guarding Del's fabulous hand painted sign

Leafing through MOS history

These four got a lot of pleasure out of sharing pictures

A cake fit for a golden anniversary

Thank you everyone for helping us celebrate our 50th anniversary
